- ***Manager*** experienced, willing, and able to lead work crew
- ***Customer Care*** professionally and effectively discover and care for the customers needs
- ***Confidence*** willing and able to make difficult decisions considering several circumstances

- ***Independence*** Work to prioritize tasks and problem solve without instruction, adapt to constantly changing circumstances, and meet deadlines
- ***Problem Solving*** Calmly & Intelligently asses new challenges without instruction
- Manage and maintain tools and workspaces
- Ensure proper maintenance of company vehicle
- Overnight travel required for territory service coverage. At least 1 overnight per week.
- Mechanical skills or relevant hands-on experience. If 2 or more of the following items are outside of your ability, this position would not be a possibility.
 - Operate forklift safely and quickly without instruction
 - Properly load a trailer without instruction
 - Backup a trailer without instruction
 - Drive safely with loaded trailer without instruction
 - People Skills, management skills
 - Operate cutting torch without instruction
 - Loosen seized bolts without instruction
 - Use tools efficiently and effectively
 - Proper use of tools
 - Understand and work with basic electrical circuits
- Valid driver's license and clean driving record
- Strong work ethic and attention to detail

Why join Dakota Lifts?

- Top tier pay + benefits
- A supportive and collaborative team culture
- Our vision is to promote individual well-being
- Opportunities for growth and development in a rapidly expanding business

How to apply:
